When I Grow Up

(WORDS & MELODY BY JAWAAD ABDUR RAHMAN & ZAIN BHIKHA)

What will I be when I grow up... (x3)... As a Muslim man
A teacher is what I want to be. People will come and learn from me
I'll teach science and history. And I'll teach Quran

What will I be when I grow up... (x3)... As a Muslima
A writer is what I want to be. People will read the books by me
I'll write stories and poetry. Insha' Allah

What will we be when we grow up? (x3)... As Muslims everywhere
We want to be the best we can. Follow the prophet and Quran
Every Muslim, women and man. Pleasing Allah

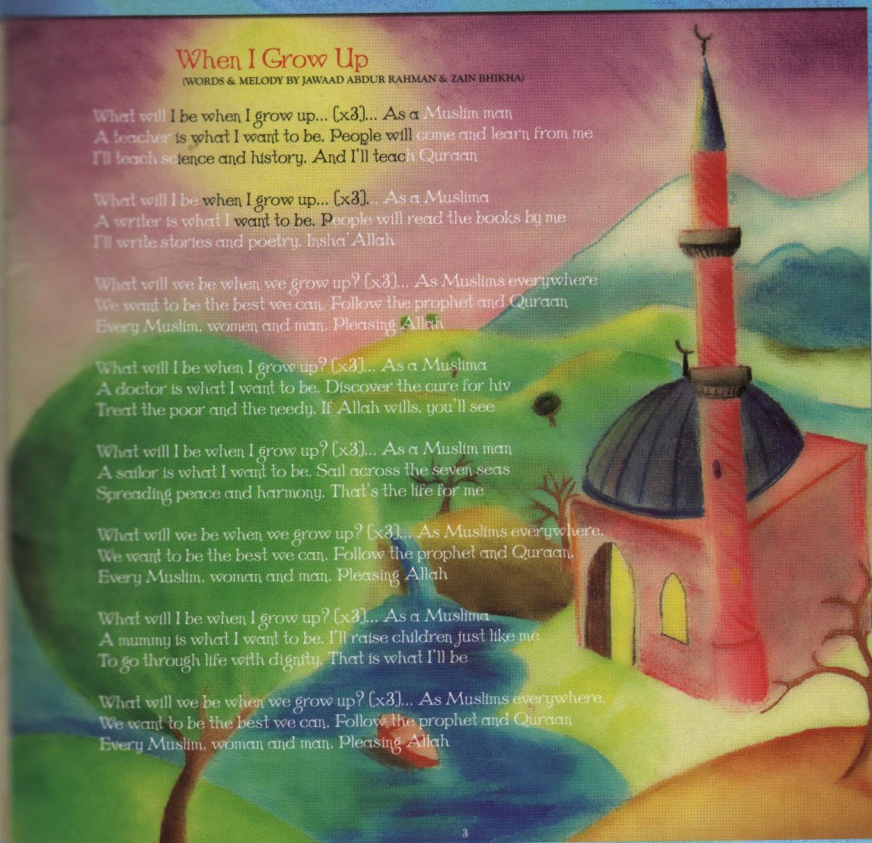

What will I be when I grow up? (x3)... As a Muslima
A doctor is what I want to be. Discover the cure for hiv
Treat the poor and the needy. If Allah wills, you'll see

What will I be when I grow up? (x3)... As a Muslim man
A sailor is what I want to be. Sail across the seven seas
Spreading peace and harmony. That's the life for me

What will we be when we grow up? (x3)... As Muslims everywhere.
We want to be the best we can. Follow the prophet and Quran,
Every Muslim, woman and man. Pleasing Allah

What will I be when I grow up? (x3)... As a Muslima
A mummy is what I want to be. I'll raise children just like me
To go through life with dignity. That is what I'll be

What will we be when we grow up? (x3)... As Muslims everywhere.
We want to be the best we can. Follow the prophet and Quran
Every Muslim, woman and man. Pleasing Allah

Although I Never Saw His Face

TRADITIONAL

Although I never saw his face. So beautiful bestowed with grace
My heart just yearns to be like him. Although I never saw his face
The sunnah of the prophet I will embrace. Prayers and blessing I pour onto him
Although I never saw his face

He loved the children and the old. Gave his heart to every soul
Nursed the sick and served the poor. Fed the hungry at his door
Loved the creatures tame and wild. Comforted the orphan child
Bid men peace, cared for the youth. Allah's messenger in truth

So with devotion I do read. His life of which I try to lead
No deed is mine except is his. Although I never saw his face

Muhammad is his blessed name. Called for tawhid when
he came. He was honest, very kind. Greatest teacher to
mankind. Brought us guidance so complete. Taught us how to
pray and eat. Always practiced what he knew.
Never strayed from what is true

While in the sunnah you'll recall. Are detailed teachings
for us all. And no more prophets there will be.
For he's the final one you see

His life he was prepared to give
At Uhud, Badr, Ta'if
Brought to us holy Qur'aan
Very heart of our Islam
On the plains of Arafat
Gave last sermon for Ummah
Passed away in Medina
Lived only to worship Allah

Turn to Allah

TRADITIONAL

Where are you going? where are you going?
North, south, east or the west
Where are you headed? oh where are you headed?
Turn to Allah, that's the best
Cos He is there, wherever you are
So turn, turn, turn to Allah

Where do you live? oh where do you live?
In a tent or in a town. It doesn't matter where you live.
You can soon be found
Cos He is there, wherever you are
So turn, turn, turn to Allah

Allahu Allahu, Jallah-Jallahu,
Allahu Allah, Jallah-Jallahu

Where do you come from? where do you come from?
North, south, east or the west
It doesn't matter where you're born
Islam is the best
And He knows who the good Muslims are
Who turn, turn, turn to Allah

What are you doing, what are you doing
I'm praying to my lord, to keep us guided
On the straight road
Cos we all need guidance wherever we are
So turn, turn, turn to Allah

What are doing? what are you doing?
I'm praying to Allah. To give us victory
And guide us to Jannah
Cos he'll be there where the good Muslims are
Who turn, turn, turn to Allah

Muslim School Anthem

(WORDS & MELODY BY ZAIN BHIKHA)

All praise is due to Allah,
For what He's given us for today
And in the morning that will come.
We'll face the bright tomorrow
We, the children of Islam
We learn to live for Allah
And side by side we'll always stand
The Ummah of Rasullallah
As long as we believe in you, we'll never go
astray.

Five times a day, we stand and pray
Oh ya Allah! That's what we'll say
And in the month of Ramadan,
We'll fast and strengthen our Iman
Oh Allah! Protect us all
with Your help we will not fall,
La ilah ha illallah
Muhammad ur Rasullallah
As long as we believe in You,
We'll never go astray.

We walk the halls of learning,
To clarify our vision
The flame of truth is burning,
For our Iman will never die
We are the children of Islam.
Together we'll stand for all of time
The Ummah of Rasullallah
The servants of only Allah
As long as we believe in You,
We'll never go astray
As long as You are in our hearts,
We'll never go astray.

I Am A Muslim

(WORDS & MELODY BY ZAIN BHIKHA)

When I was born, the first words that I had
heard
Were the words of Allah being whispered
through my ear
And as I felt Allah's presence in my soul
That day Islam took me in its fold

Chorus:

I am a Muslim
Islam my Deen
Allah my Lord
His word Quran
Muhammad, prophet
Peace be upon him
I am a Muslim for all of time

As I grow up, walking in this great big world
I gaze in awe at the wonders of Allah
And as I learn the cruel lessons of life
Islam shines through as my guiding light

Chorus:

Someday, somehow my journey here will end
I know not when Allah will call me home
This life I led, o' what a blessed thing
As death comes to me these words I will sing

Chorus: (2x)

Welcome O' Ramadaan

For the pleasure of Allah.

Most blessed of all nights
Most blessed of all nights

O' you who believe, give thanks to Allah
For the month of Ramadaan
The month of Ramadaan

Which Of Allah's Favours Can We Deny?

(WORDS & MELODY BY ZAIN BHIKHA)

Which of Allah's favours can we deny
Above all creatures, He chose us to be high
To Him we belong, to Him is our return
Life in this world is only sojourn

To the angels He commanded
that man be respected
Shaitaan heeded not and so was rejected
Compared to the angels we are but clay
As long as Allah we obey, we'll not go astray

As the best of His creation only us did He deem
This for us is honour this high esteem
His qudrat it is that cause winds to blow
He gives us provision so that we may grow

To lead man astray, shaitaan made a vow
None can mislead us if to Allah we bow
It's a task to be free from shaitaan's treachery
Iman is our weapon, it's Allah's mercy

Allah is our creator, He gave us dignity
We face evil each day, in Him there is serenity
At the time appointed the world shall perish
Hope for hereafter's success is what we cherish

To show the way He sent prophets to guide
Life may be pleasant, His laws we must abide
Muhammad was the last, rahmatullah - aalameen
Through him Allah sent al - Qur'aan al mubeen

Forever

(WORDS & MELODY BY ZAIN BHIKHA)

As the sky is blue, as the sun shines true
I'll be there for you
Forever

When the night sets in
I'll give everything
To see you smile again
Forever

You mean the world to me
Don't u see?
It was nothing more than destiny
You and me...

As we live our lives, facing every trial
I'll be by your side
Forever

Til the day I'm gone
To my eternal home
My love will still live on
Forever

As the light ight descends
God's mercy never ends
We'll be together again
Forever

Just as the sky is blue
And as the sun shines through
There'll always be me and you
Forever

Spread The Word

(WORDS & MELODY BY ZAIN BHIKHA)

We are the Muslim Ummah, and each day that goes by the harder we try
In gratitude we pray to Allah.
Chosen as part of the best of mankind. We spread the word of Islam.

Each minute, each hour. In awe of His power.

Each flower, each tree. Everything that we see

Spread the word o' man. Spread the word Islam

Oh fortunate one, Paradise must be won

Each day and each night. Through darkness and light
Cry it out to the world. Loud enough to be heard.

Spread the word. Spread the word.

Spread the word Islam

Every difficulty faced in our lives
Makes us realize that it's just
part of Allah's plan.

Feeling stronger

we take it in our stride.
He will always favour
the patient one.

While we spread
the word of Islam

Every sigh, sad goodbye.

Every tear from my eye

Every yes, every no.

Every high, every low
